EXPERIENCE

UI/UX Designer / Branding Specialist
Ivy Partners SA | Lisbon | 2024 - Present

- Developing and maintaining brand identity and guidelines for consistency.
- Designing digital assets for web, social media, and email.
- Creating print materials like brochures, flyers, and reports.
- Supporting external communications with presentations and templates.
- Managing suppliers and overseeing the printing process.
- Collaborating on UI/UX design for web and mobile applications.
- Producing and editing multimedia content, including animations and videos.

UI/UX Specialist
VORTAL Connecting Business | Lisbon | 2021- 2024

- Defined user stories and conducted user research and A/B testing.
- Created interactive prototypes.
- Contributed to the creation and maintenance of the company's design system, standardized UI components and improved design consistency across products.
- Utilized agile methodologies to ensure timely project delivery.
- Led UX design projects, including a major redesign of the company’s main product interface, resulting in a 30% increase in user satisfaction scores.
- Worked closely with cross-functional teams including product managers and developers.

UI/UX & Graphic Designer
Acid Integration | Lisbon | 2019 - 2021

- Conducted and led the discovery process and guided Design Sprints to generate consensus among team members.
- Created user journeys and information architecture.
- Designed content such as posters, videos, and presentations.
- Developed visually appealing brand identities, including logos, typography, and color palettes.
- Designed marketing collateral, such as brochures, flyers, and social media graphics.

UI/UX Designer
Glartek (Internship) | Lisbon | 2018 - 2019

- Enhanced productivity by creating innovative web, mobile, and Augmented Reality solutions tailored to the unique needs of workers in the automotive, food, and energy industries.
- Improved factory workers' maintenance processes, leading to more efficient operations.
